The improper joinder of Plaintiff's alleged causes of action violate the procedural and substantive due process rights of Ethicon under the Constitutions of

the United States of America and the applicable state, as well as the applicable Rules of Civil Procedure and the laws of the applicable state.

### **EIGHTH DEFENSE**

Ethicon is entitled to, and claims the benefit of, all defenses and presumptions set forth in or arising from any rule of law or statute in Florida and any other state whose law is deemed to apply in this case.

### **TENTH DEFENSE**

Plaintiff's claims are barred by the doctrine of federal preemption, as established by statute, including the preemption provision of the Medical Device Amendments, 21 U.S.C. § 360k(a), to the federal Food, Drug and Cosmetic Act, 21 U.S.C. §§ 301, *et seq.*, and by state and federal case law, and are barred by the Supremacy Clause of the United States Constitution, because the product at issue is regulated by the U.S. Food and Drug Administration ("FDA") under the Medical Device Amendments, 21 U.S.C. § 360k, *et seq.*, to the federal Food, Drug and Cosmetic Act, 21 U.S.C. §§ 301, *et seq.*, and other federal statutes and regulations.

### **ELEVENTH DEFENSE**

At all relevant times, Ethicon was in full compliance with all applicable federal statutes and regulations, including but not limited to the Medical Device Amendments, 21 U.S.C. § 360k, *et seq.*, to the federal Food, Drug and Cosmetic Act, 21 U.S.C. §§ 301, *et seq.*, and other federal statutes and regulations, and Plaintiff's claims are accordingly barred.

### **TWELFTH DEFENSE**

Plaintiff's claims against Ethicon are expressly and/or impliedly preempted by federal law, including but not limited to, the regulations promulgated by the FDA and contained in Chapter 21 of the Code of Federal Regulations. *See* 21 U.S.C. § 301 *et seq.*; *see also* Fed. Reg. 3922 (Jan. 24, 2006).

### **THIRTEENTH DEFENSE**

Plaintiff's claims are barred because Ethicon complied with all applicable state and federal statutes regarding the product at issue including the requirements and regulations promulgated by the FDA and contained in Chapter 21 of the Code of Federal Regulations. In the event that Plaintiff's claims are not barred, Ethicon is entitled to a presumption that the product at issue is free from any defect or defective condition as the plans or design for the product at issue or the methods and techniques of manufacturing, inspecting, and testing the product at issue were in conformity with government standards established for the industry that were in existence at the time the plans or designs for the product at issue or the methods

and techniques of manufacturing, inspecting, and testing the product at issue were adopted.

#### **FOURTEENTH DEFENSE**

Plaintiff's claims are barred, in whole or in part, by the deference that federal and state constitutional law and federal and state common law give to discretionary actions by the FDA under the Federal Food, Drug & Cosmetic Act, 21 U.S.C. § 301 *et seq.*, and regulations promulgated thereunder.

#### **FIFTEENTH DEFENSE**

Plaintiff's claims are governed and barred, in whole or in part, by Sections 2, 4, and 6 of The Restatement (Third) of Torts (including the comments thereto) because Ethicon complied with all applicable statutes and with the requirements and regulations of the FDA.

**EIGHTEENTH DEFENSE**

Plaintiff cannot state a claim with regard to warnings and labeling for medical devices because the remedy sought by Plaintiff is subject to the exclusive regulation of FDA.

**NINETEENTH DEFENSE**

Plaintiff's claims are barred in whole or in part by Plaintiff's failure to assert a safer design for any of the product at issue.

**TWENTIETH DEFENSE**

Plaintiff's claims are barred in whole or in part because the product at issue provided a benefit to users of such products and greatly outweighed any risk created by using such product, any risk could not have been avoided through the use of the highest standards of scientific and technical knowledge available at the time, the benefit provided to users could not be achieved in another manner with less risk, and adequate warnings concerning the risk were provided.

**TWENTY-FIRST DEFENSE**

Ethicon made no express or implied representations or warranties of any kind to Plaintiff, nor did Plaintiff rely on any representations or warranties made by Ethicon to others.

**TWENTY-SECOND DEFENSE**

Any express or implied warranties alleged to have been made by Ethicon were disclaimed.

### **TWENTY-THIRD DEFENSE**

Ethicon did not make nor did it breach any express or implied warranties and/or breach any warranties created by law. To the extent that Plaintiff relied on any theory of breach of warranty, such claims are barred by applicable law, by the lack of privity between Plaintiff and Ethicon, and/or by Plaintiff's failure to give Ethicon timely notice of the alleged breach of warranty and an opportunity to cure. Ethicon further specifically pleads as to any breach of warranty claim all affirmative defenses available to Ethicon under the Uniform Commercial Code, as enacted in the State of Florida or any other state whose law is deemed to apply in this case, and under the common law principles of Florida and any state whose law is deemed to apply in this case.

### **TWENTY-FOURTH DEFENSE**

The injuries and damages allegedly suffered in this action, which are denied, were not foreseeable to Ethicon given the state of scientific knowledge and state-of-the-art at the time of the alleged injuries. At all times relevant, the product at issue conformed to state-of-the-art specifications and state-of-scientific knowledge for such product at that time, as well as all applicable statutes and regulations, including those of FDA.

**TWENTY-FIFTH DEFENSE**

Plaintiff's claim for punitive damages is barred because the product at issue was manufactured and labeled in accordance with the terms of FDA's clearance of the product at issue.

**TWENTY-SIXTH DEFENSE**

To the extent that any of Plaintiff's claims can be, or are construed as, alleging a violation of consumer protection laws, Ethicon specifically pleads all affirmative defenses available to Ethicon under the rules and statutes of Florida and/or any state whose law is deemed to apply in this case, and under the common law principles of Florida and/or any state whose law is deemed to apply in this case.

**TWENTY-SEVENTH DEFENSE**

Plaintiff knowingly and voluntarily assumed any and all risks associated with the use of the product at issue in this case and thus the "last clear chance" and assumption of the risk doctrines bar in whole or in part the damages that Plaintiff seeks to recover herein.

**TWENTY-EIGHTH DEFENSE**

Plaintiff's claims are barred, in whole or in part, because Ethicon acted in good faith at all relevant times and gave adequate warnings of all known or reasonably knowable risks associated with the use of its product.

**TWENTY-NINTH DEFENSE**

At all relevant times herein, the product in question was manufactured and distributed with proper warnings, information, cautions, and instructions in conformity with generally recognized and prevailing standards in existence at the time.

**THIRTIETH DEFENSE**

Plaintiff's inadequate warning claims are barred because the alleged risk of which Plaintiff claims is open, obvious, and/or a matter of common knowledge.

**THIRTY-FIRST DEFENSE**

Plaintiff's claims are barred in whole or in part because the product at issue was consistent with and/or exceeded consumer expectations.

**THIRTY-SECOND DEFENSE**

Plaintiff's claims are barred in whole or in part because the product at issue was at all times properly prepared, packaged, and distributed, and was not defective or unreasonably dangerous.

**THIRTY-THIRD DEFENSE**

Adequate and complete warnings and instructions were provided with the product at issue. The product at issue was neither defective nor unreasonably dangerous when used according to its Instructions for Use.

**THIRTY-FOURTH DEFENSE**

At all relevant times, the warnings and instructions accompanying the product at issue were governed by and conformed to applicable federal statutes, rules and regulations; therefore, warnings and instructions relating to the product were presumptively adequate.

**THIRTY-FIFTH DEFENSE**

Plaintiff's causes of action are barred by the learned intermediary doctrine.

**THIRTY-SIXTH DEFENSE**

Ethicon is not liable to Plaintiff because the end users of the product at issue, Plaintiff's physician(s), were sophisticated users of the product.

**THIRTY-SEVENTH DEFENSE**

Ethicon states that the sole proximate cause of the injuries and/or damages alleged by Plaintiff was the actions, omissions, or negligence of a person or persons, other than Ethicon, for whose actions, omissions, or negligence Ethicon is in no way liable. Plaintiff is not, therefore, entitled to recover from Ethicon in this action. As to Plaintiff or to any other entity or person whose conduct or intervening negligence resulted in the alleged injuries and/or damages of Plaintiff, if any, Ethicon expressly pleads the doctrines of assumption of risk, contributory negligence, comparative fault and/or comparative negligence, as well as the provisions of any applicable comparative fault and/or comparative negligence

and/or contributory negligence statute, law or policy of Florida and any other applicable state.

**THIRTY-EIGHTH DEFENSE**

The injuries and damages allegedly suffered in this action, which are denied, may have been caused, in whole or in part, by Plaintiff's own fault, which bars or proportionately reduces Ethicon's liability, if any, for Plaintiff's alleged damages.

**THIRTY-NINTH DEFENSE**

Plaintiff voluntarily and unreasonably chose to encounter known dangers.

**FORTIETH DEFENSE**

The liability of Ethicon, if any, for Plaintiff's non-economic loss must be apportioned in accordance with the provisions of the law of Florida and any other applicable state.

**FORTY-FIRST DEFENSE**

In the event Ethicon is held liable to Plaintiff, which liability is expressly denied, and any other co-defendants are also held liable, Ethicon is entitled to a percentage contribution of the total liability from said co-defendants in accordance with principles of equitable indemnity and comparative contribution and pursuant to any applicable contribution or apportionment statute, law or policy of the applicable states.

**FORTY-SECOND DEFENSE**

There is no causal relationship between Ethicon's conduct and the injuries and damages alleged by Plaintiff in the Complaint.

**FORTY-THIRD DEFENSE**

At all times mentioned herein, Plaintiff was negligent, careless and at fault and conducted herself so as to contribute substantially to her alleged injuries, losses, and damages. Said negligence, carelessness and fault of Plaintiff bars in whole or in part the damages which Plaintiff seeks to recover herein.

**FORTY-FOURTH DEFENSE**

Plaintiff's alleged injuries, losses, or damages attributable to the use of the product at issue in this case, if any, were solely caused by and attributable to the abnormal, unforeseeable, unintended, unreasonable, and improper use or misuse which was made of said product.

**FORTY-FIFTH DEFENSE**

Plaintiff's alleged injuries, losses, or damages attributable to the use of the product at issue in this case, if any, were not legally caused by the product at issue, but instead were legally caused by intervening and superseding causes or circumstances.

**FORTY-SIXTH DEFENSE**

Plaintiff's alleged injuries, losses, or damages attributable to the product at issue in this case, if any, were caused by the acts or omissions of third parties for which Ethicon has no legal responsibility.

**FORTY-SEVENTH DEFENSE**

Ethicon expressly denies any third party engaging in the acts alleged by Plaintiff was acting as Ethicon's agent or servant, at the instruction of Ethicon, or within its control. Therefore, Plaintiff's claims, to the extent they seek to recover for the acts or omissions of such third parties, are barred in whole or in part as a matter of law.

**FORTY-EIGHTH DEFENSE**

Plaintiff's causes of action are barred because the injuries and damages allegedly suffered in this action, which are denied, were due to an allergic, idiosyncratic or idiopathic reaction to the product at issue in this case, or by an unforeseeable illness, unavoidable accident, or preexisting condition, and/or another unrelated medical, genetic or environmental condition, disease or illness, without any negligence or culpable conduct by Ethicon.

**FORTY-NINTH DEFENSE**

Plaintiff's claims are or may be barred by their failure to comply with conditions precedent to her right to recover.

### **FIFTIETH DEFENSE**

Plaintiff's claims are barred, in whole or in part, by the doctrine of avoidable consequences.

### **FIFTY-FIRST DEFENSE**

The claims of Plaintiff may be barred, in whole or in part, from recovery, due to spoliation of evidence and the failure to properly preserve evidence necessary to the determination of the claim.

### **FIFTY-SECOND DEFENSE**

Plaintiff's claims against Ethicon are barred by the doctrines of equitable estoppel, laches, consent, waiver, informed consent, release, unclean hands, res judicata, and collateral estoppel. Additionally, if any plaintiff had or has filed bankruptcy during the relevant time period of the events alleged in the Complaint or files for bankruptcy at some point in the future, the claims of any such plaintiff may be "property of the bankruptcy estate" which should be prosecuted by the bankruptcy trustee rather than plaintiff, or, if not disclosed by plaintiff on the schedules and/or statement of financial affairs, may be barred by the doctrine of judicial estoppel.

### **FIFTY-THIRD DEFENSE**

Some or all of Plaintiff's claims may be barred by the statutes of limitations, prescription, and/or statutes of repose of Florida or any other applicable state.

**FIFTY-FOURTH DEFENSE**

To the extent Plaintiff's claims are based on alleged misrepresentations or omissions made to the FDA, such claims are barred by *Buckman Co. v. Plaintiffs' Legal Committee*, 531 U.S. 341 (2001).

The sale, labeling and marketing of the product at issue in this litigation is not, and was not, likely to mislead or deceive the public.

**FIFTY-SEVENTH DEFENSE**

The product at issue was altered after the product left the control, custody and possession of Ethicon, and said alteration relieves Ethicon of any and all liability.

**FIFTY-EIGHTH DEFENSE**

Any strict liability cause of action for relief is subject to the limitations set forth in Restatement (Second) of Torts, Section 402A, and comment k.

**FIFTY-NINTH DEFENSE**

Plaintiff's claims are barred in whole or in part under Section 402A, comment j and k of the Restatement (Second) of Torts.
